CONDADO DE HUELVA
Designation of Origin

The most precious legacy of the pioneer and promoter of red wines in the Condado de Huelva. Made from a selection of our best tempranillo and syrah grapes.

A different wine, with touches of raspberry and licorice, aged for six months in American oak barrels and at least 18 in the bottle to give it harmonious balance.

Variety: Tempranillo and Syrah.

TASTING NOTES

Color: Ruby with touches of violet.

Nose: Intense, well balanced. Hints of blackberries and other berries, with touches of wood, vanilla and tobacco that hark back to its barrel aging.

Mouth: Frank, interesting, with touches of raspberry and licorice. Round tannins and a pleasant finish.

Pairing: Good with red meats, game, strong cheeses.
